

“The God of All Comfort” A Study of 2 Corinthians

Through the study of Second Corinthians we will discover the grace and glory of God even through affliction, rejection, adversity, and trials. We will learn how these things enable us to receive God’s power in its fullness. His strength is made perfect in our weakness. (Video Teachings by Cheryl Broderson)

Our desire is to grow in the Lord through the study of His Word and to encourage each other as women, mothers and wives. We hope you’ll come join us.
