

CALVARY CHAPEL FAYETTEVILLE

HOMESCHOOL FELLOWSHIP

Our homeschool fellowship is an informal group for homeschool families to share godly encouragement with one another as we share this common walk of homeschooling.

There are many other support groups and co-ops in the Fayetteville area. Ours gives those who fellowship together at CCF and their friends an opportunity to connect with one another.

If you would like to receive e-mail information about fellowship, field trip, and other homeschool opportunities, please fill out a survey and leave it with Robyn Kelly or the chapel office.
